

YORKE PENINSULA AUCTIONS & FIELD DAYS

What: Yorke Peninsula auctions & field days

When: Tuesday 11 August

Where: On-Property

The Yorke Peninsula Merino Breeders extend a warm welcome to breeders and visitors to the 2026 ram auctions.

The YP stud breeders continue to produce early maturing, large framed sheep with strong constitution and excellent white stylish heavy cutting wool that keeps our clients returning each year.

2025 was another difficult year with not a lot of rain until early to mid July. Even though sheep numbers had decreased in the last 12 months, stud sales remained relatively strong. A lot of rams were purchased by local clients. The studs would like to say a big thank you for supporting local studs.

Meat prices from September onwards have proven that it is still a great time to still be involved with sheep. Wool continues to slowly improve price wise, and will hopefully continue to increase in 2026.

The Yorke Peninsula Merino Breeders continue to buy quality rams and semen from the best sources to ensure that we are breeding sheep that make dollars for you, the client.

We continue to be proud of the sheep we produce on the YP and the Merino breeders continue to provide new genetics for the clients who continue supporting their local Merino breeders.

A sincere thank you to our individual sponsors for their ongoing support. We look forward to seeing you at our ram auctions so you can experience the best of YP hospitality.

Lynda Farrow

On behalf of Yorke Peninsula Merino Sheep Breeders
