

MID-NORTH INSPECTION DAY

What: Mid North Inspection Day
When: Monday, August 31
Where: Mid North Region
Time: 10am to 4pm

Mid North stud breeders throughout South Australia continue to supply the strong demand for premium-quality rams sought by commercial producers committed to productivity, performance and long-term profitability.

These rams are offered through private selection and on-property sales across the year and will also be on display at the Mid North Inspection Day.

In 2026, the Mid North Inspection Day will take place on Monday 31 August, running from 10.00am until 4.00pm.

The event provides an excellent opportunity for Merino breeders to view both stud and commercial rams available for the upcoming selling season. Visitors can take the time they need to assess potential sires and gain valuable insight into the breeding goals and programs of the participating studs.

Be sure to add the Mid North Inspection Day to your calendar. We look forward to welcoming you on the day.
